WARRANTY

We have done our best to ensure that your FROST product will bring you daily pleasure for many years to come. We hope that it will meet your expectations. All FROST products are covered by warranty.

For questions about warranty or maintenance please write to info@frost.dk. If you have any further questions, please do not hesitate to call us on: +45 87 61 00 32.

CLEANING AND MAINTENANCE

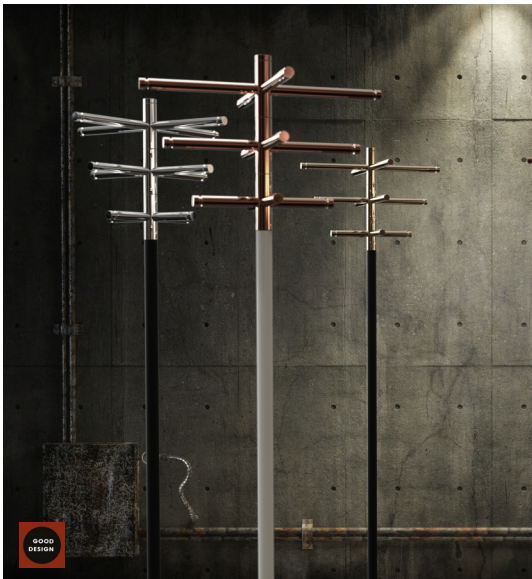

Proper maintenance plays an important role in the strength and durability of the product. We recommend that you clean your product as mentioned here:

All surfaces should be cleaned with a microfiber cloth, glass cleaner or other non-abrasive and gentle agents. Use a soft dry cloth to wipe dry. When polishing steel with a hairline finish, please remember always to polish with the grain of the steel.

Cautions

Do not immerse in water or place in dishwasher. Avoid using sharp objects to remove dirt. Please be aware of the fact that stainless steel may become very hot if it comes into contact with boiling water or is placed on top/under heat sources such as pots.

NOTE: In the case of manufacturing defects, please contact the store where the product was purchased. Always remember to bring your receipt.
